### **QUOTE(S) OF THE DAY**

"Creators, makers of the new, can never become obsolete, for in the arts there is no correct answer. The story of discoverers could be told in simple chronological order, since the latest science replaces what went before. But the arts are another story — a story of infinite addition. We must find order in the random flexings of the imagination." – Daniel J. Boorstin

"Art enables us to find ourselves and lose ourselves at the same time." – Thomas Merton

"The obstacles of your past can become the gateways that lead to new beginnings." – Ralph Blum

"You don't have to sort of enhance reality. There is nothing stranger than truth." – Annie Leibovitz

"We must take sides. Neutrality helps the oppressor, never the victim. Silence encourages the tormentor, never the tormented." – Elie Wiesel

"Keep your face always toward the sunshine - and shadows will fall behind you." – Walt Whitman

"The fact that an opinion has been widely held is no evidence whatever that it is not utterly absurd." – Bertrand Russell

"We are all here on earth to help others; what on earth the others are here for I don't know." – W. H. Auden

“Sometimes I'm so sweet even I can't stand it.” – Julie Andrews
